12:00 – 4:00 PM

Delta Hotel by Marriott Dartmouth (Banook Room)

240 Brownlow Avenue

Dartmouth, Nova Scotia

Coast Mountains School District is located in beautiful northwestern British Columbia, serving approximately 4500 students across 19 schools, including 3 alternate programs and a distance learning centre. The district encompasses the traditional territories of three Indigenous nations: the Gitksan, the Haisla and the Tsimshian. The richness of the local First Nations culture and history contributes significantly to all schools in a very positive way as Indigenous and non-Indigenous learners benefit greatly from the diversity surrounding them.
